Dear Sunshine Committee,

How do we love thee? Let us count the ways ~

1. We love you a 'LATTE' for the coffee certificates.
2. For all your prayers and support.
3. For the sunflowers to brighten our days.
4. For the luncheon and beach items so we can relax in comfort this summer.
5. For tonight's meals ~ and all the meals you have provided us with this school year.
6. To infinity ~ ~ ~ ~ ~ and beyond :)

Each month you provide us with heartfelt reminders that we are appreciated as teachers/staff; that our late nights grading papers and preparing lessons plans and early alarm clocks to prepare our classrooms is worth every minute of it; and we'll do it again tomorrow.

With grateful hearts of thanks, love and prayers,

*The Teachers and Staff of St. Peter's Catholic School*

Dear Parents,

It has come to my attention, yet again, that we have students in all grade levels that have been tardy anywhere from 3-13 times this quarter. This is beyond my understanding. It has always been my personal and professional opinion that school is important and I cannot fathom that parents do not feel the same way.

As is stated in our student/parent handbook, tardies are a disruption to the school day. We have only a few days left of this school year. I respectfully request that you make every attempt to have your children at school on time.

The students are allowed to come into the school building at 7:45 a.m., and the doors close at 8:00 a.m. There is no reason for any child to be late unless the bridge is up, or there has been an accident on the road on the way to school.

If you need to leave a few minutes earlier, please do so in order for your child to be at school on time.

Thank you and God bless you,  
Sister Judy Therese, SSCM, Principal

## **Volunteer Opportunities for the 2012-2013 School year**

**School Newsletter—Approximately 2 hours per week. Computer work in the school office on Thursdays.**

**School Yearbook—Assist Editor and students. Most Monday afternoons from 3pm-4pm.**

**Weekly Classroom Volunteers ~ reading and assessment assistants for 1st & 2nd grades; Most of our teachers could use a little extra help with copying. Set up a day each week and they can plan accordingly.**

**Office Angels ~ we could use help in the office each school day for a couple of hours. Pick one day a week that works for you. Best times are 11am-1pm, but we can be flexible!**

**Library ~ Books always need to be checked back in and shelved. Let's get together with our librarian to keep our library 'student ready'.**

**Lunchroom ~ Nora needs an extra hand or two. With enough volunteers, only once a month in the lunchroom is needed.**

These are just a few of opportunities we have that are necessary all year long. We will keep you posted during the year as special events come up. Thank you, in advance :) , for being an active part of the school.

*Dear Parents, Students and Sunshine Committee,*

*Thank you very much for the wonderful remembrances for Teacher Appreciation Week, as well as all the treats of the year.*

*May God reward you abundantly. You have made all of us feel so appreciated and know we appreciate you also.*

*God bless you,*
